

Dear visitor

Welcome to the FCI judges Directory. We herewith invite you to read these few lines carefully.

All judges listed in the FCI judges Directory are under the exclusive responsibility of the National Canine Organization (NCO) of the **Country** where he/she has his/her legal residence (referred to as **NCO in charge of the judge**). A list of NCO members and contract partners of the FCI are available under [Members](#).

The members and contract partners are divided into FCI Sections (referred to as **Section**): The Americas & Caribbean - Europe - Asia, Africa & Oceania

Only a very limited number of show judges are under the responsibility of the FCI (referred to as **FCI** in the list of **Countries**)

An identification number (consisting of the two-letter ISO code of the country (NCO) in charge of the judge followed by a sequence number) (referred to as **Number**) is assigned to each judge in this Directory.

Example: BR14 = identification number for a Brazilian judge under the responsibility of the Confederação Brasileira de Cinofilia (BRAZIL).

For judges under the responsibility of the FCI, the two-letter ISO code of the country has been replaced by the initials FCI (Fédération Cynologique Internationale).

Example: FCI4 = identification number for a judge under the responsibility of the FCI.

In accordance with the new European legislation regarding DATA PROTECTION (GDPR) in force since May 25 2018, only the **Last name** and the **initial of the First name** of the FCI judges listed are mentioned in this Directory and no single contact data is available. A limited number of data like

- 1) the FCI or other languages spoken by the judge,
- 2) detailed information regarding authorizations specific to the discipline Shows (FCI breed and group judges, BIS judges, FCI all-breed national and international judges and judges of a breed not officially recognized by the FCI),
- 3) the period and level (national or international) of a current suspension or exclusion of a judge

can be viewed in the sheet of the judge.

However, additional information (contact data, detailed curriculum vitae, etc.) can be obtained from the judge and/or the NCO in charge of the judge, but only through the contact form  available in the result list of judges.

For each judge listed in this Directory, the FCI discipline (referred to as **Discipline**) for which the judge has been authorized appears in the result list of judges.

Example: Discipline = Shows for judges that are allowed to officiate at FCI international CACIB shows.

Finally, any judge listed in this Directory has a status (referred to as **Status**): active, suspended or excluded. The details about a suspension or exclusion of a judge can be viewed in the judge sheet.
